

# Organic Day Cream

A particularly active cream to nourish and moisturize the skin.

Norwex Organic Day Cream:

- Has been certified organic by **Eco-Cert®** and contains:
  - Swiss alpine plants: **Edelweiss, Artemisia, Marrubium** and Nectapure (a combination of **Buddleja davidii** and **Thymus vulgaris**) – all certified by **Bio Suisse (CH)**;
  - Organic Aloe Vera, Shea Butter and Macadamia and Jojoba seed oils, to hydrate, soothe, and heal;
  - Squalene (rapidly absorbed, intense moisture and skin-smoothing) and Vitamin E – to maintain moisture within the skin;
  - Caring – a natural, light, and certified organic and allergen-free fragrance; and
  - Preservative agents that exist in nature, meet organic requirements, and are used in many food products.

*These medicinal plants are very high in antioxidants and help to protect the skin from damage caused by pollution and free radicals; helping to prevent wrinkles and loss of skin vitality. They also have wonderfully soothing and anti-aging properties.*

**Recommended use:** Apply to cleansed skin with gentle patting motion until absorbed.
